

How to Create a Bookmark for VESTA Live in your Internet Browser

Screen shots may vary due to differing browser/software versions.

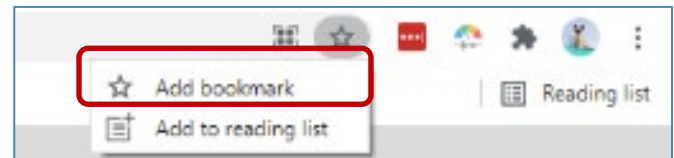

Open your choice of Browser (Chrome, Firefox, Edge). Navigate to the VESTA Live website - <https://www.vestalive.net/logon.aspx>

To Create a Bookmark in Chrome, Firefox, or Edge:

In the upper right corner of the screen, click on the Star (★)

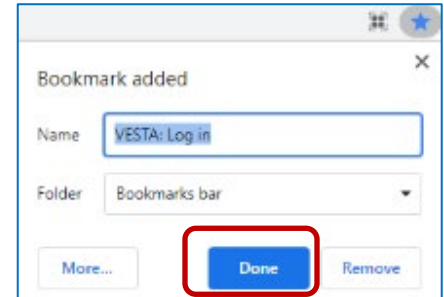

In **Chrome**, choose 'Add Bookmark' from the dropdown.

A window will open showing that your Bookmark has been added.

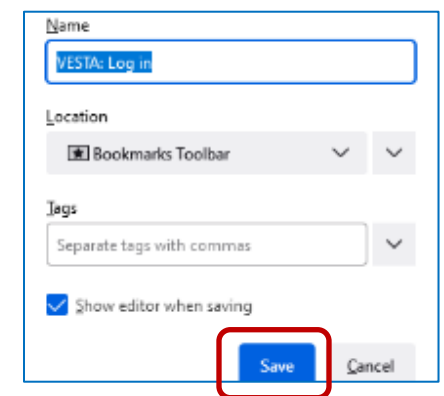

Select "Bookmarks Bar" in the folder field to see bookmark on screen when the browser is open.

Click **Done** and your bookmark is saved.

In **Firefox**, a window will open.

Select "Bookmarks Toolbar" in Location field to see bookmark on screen when the browser is open.

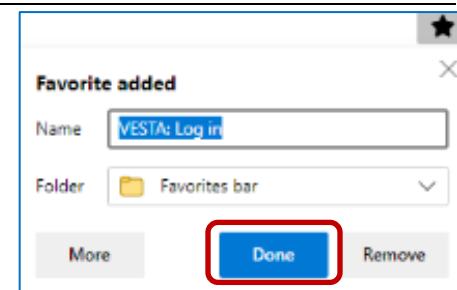

Click **Save** and your bookmark is saved.

In **Edge**, a window will open showing your Favorite is added.

Select "Bookmarks Toolbar" in Folder field to see bookmark onscreen when the browser is open.

Click **Done** and your bookmark is saved.
